### “Sparks On Parade”

At 6:00 pm, the city fire truck will lead a community parade from the old Meadowhill Market up the hill to the park. Whether on foot, with strollers, kids on bikes, skateboards, cars, or whatever, let's begin our community event as a community! Whether you've already arrived at the park, firehouse, or choose to meet at the old Meadowhill Market, the fire truck siren marks the beginning of the community gathering together for the trek up the hill. Come join the fun!
